December 15, 2017

Engineering and Technical Services Division  
Great Lakes Hydraulics and Hydrology Office

To Our Lake Winnebago Partners:

The purpose of this letter is to inform you of our upcoming interagency conference call regarding the Lake Winnebago drawdown strategy. The conference call is scheduled for Tuesday, January 16, 2018 at 1:00 PM (C.S.T.). During the conference call, the timing and extent of the 2018 winter drawdown on Lake Winnebago will be discussed. The agenda for the conference call is as follows:

- Introduction and Conference Call Guidelines
- Basin Conditions to include:
  - Lake Winnebago water levels, snow pack, ice cover, river flows
- Expected winter conditions
- Drawdown timing and extent
- Open forum for questions

This conference call is open to the public. To join the conference call, please dial (877) 873-8017 and enter 5016219 when prompted for the pass code. After entering the access code, you will be asked to enter the security code which is 1234. Once you have joined the conference call, please press \*6 to mute your phone. You may press \*6 again during the call when you wish to speak.

If you wish to receive meeting notices electronically, please send an email to [Keith.W.Kompoltowicz@usace.army.mil](mailto:Keith.W.Kompoltowicz@usace.army.mil) requesting to be added to the Lake Winnebago email list. Hard copies of the meeting notices will still be sent via the U.S. Postal Service for those that wish to receive them.

Please feel free to call Mr. Keith Kompoltowicz at (313) 226-6442, should you have any questions.

Sincerely,

Marie T. Strum, P.E.  
Chief, Engineering and Technical  
Services Division
